Subject: RE: Briefing paper for TOA-1 meeting with Honolulu Mayor Hannemann

Leslie: Toru just called me stating the Mayor and Toru plan on being in SF on 3/9/10 and wants to meet with you and/or me at least at around 10 AM. This is the first I heard of this particular request to meet, but he was saying the Mayor was insisting to meet. Comment? If nothing else, maybe the Administrator can ask the Mayor what he intends to get out of the meeting with the region.

This looks good. I added some information about Gov. Lingle's meeting with the Secretary and Peter, which I just learned on the way back from a presentation that Peter made across town.

I am looking at the FAA letter next and will have a couple suggestions for tweaks.
